IS BIZBOX RIGHT FOR YOU?

Choose BizBox If:

- Your business has fewer than 20 employees and contractors.
- You want to eliminate tech frustration within your business.
- You want to elevate your cybersecurity without breaking the bank.
- You're thinking about implementing AI into your business.

You Should Consider BizBox If:

- You need to meet compliance requirements or qualify for cyber insurance.
- You want a predictable, comprehensive technology plan and budget.
- Your business has been hacked or an employee's email was compromised.
- You're ready to focus on running your business with an IT partner you trust.

ONE-TIME ONBOARDING FEE

USERS	ONE-TIME ONBOARDING FEE
1 – 5	$3,500
6 – 10	$4,500
11 – 20	$6,500

50% of the onboarding fee is due at project kickoff; the remaining 50% is amortized over the contract term.
